THE HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION NO.18564 OF 2005

ORDER:

The petitioners, who are twenty seven in number, claim to be owners of small extents of plots, on which some of them have already constructed houses. Aggrieved by the order dt.25.7.2005 passed by first respondent herein directing the petitioners to maintain *status quo* till the disposal of the case filed by respondent Nos.6 and 7, they filed the present Writ Petition. Be it noted that respondent Nos.6 and 7 filed appeal under Section 90 of A.P.(Telangana Area) Tenancy and

Agricultural Lands Act, 1950 claiming the land which is allegedly in possession of the petitioners. While entertaining the appeal, the order was passed.

As seen from the affidavit accompanying the Writ Petition, some of the petitioners had applied for necessary permission from fourth respondent municipality and when they did not receive any response they have commenced construction and completed construction after which the municipality allegedly assigned municipal numbers. The impugned order also does not speak about this, except saying that the Mandal Revenue Officer should implement *status quo* orders passed by Joint Collector and not to allow any further constructions. As some of the petitioners have already made constructions instead of keeping the Writ Petition pending, it would be in the interest of petitioners and respondents 6 and 7 to direct the Joint Collector, Warangal, to dispose of the appeal within four weeks from the date of receipt of a copy of this order after giving notice to petitioners and contesting respondents.

The Writ Petition with the above observations is accordingly disposed of without expressing any opinion on the merits of the case. No costs.
